

Quality Molecular Pathology testing – end to end A webinar series

Webinar 1

Knowing your tissue:

How do I make sure I am testing the right thing?

Prof Louise Jones, CRC UK

Webinar 2

Introducing new tests:

Choosing the right assay for the job
UK Validating a new assay – a case study

*Dr Helene Schlecht, Manchester,
Dr Manisha Maurya, Belfast, UK*

Webinar 3

Reporting your data:

Quality and standardisation – an EQA's point of view
What to do if I've got too much data?

*Dr Jenni Fairley, GenQA
Dr Cathal O'Brien, Dublin, Ireland*

Webinar 4

Why my laboratory participates in EQA:

A participants view
Sweden

Dr Anca Oniscu, Stockholm

What's new for Molecular Pathology:

What's new on the horizon

Prof David Gonzalez, Belfast, UK
